

## ※ Abrasive Belt & Disc Cleaners ※

1-1/2" \*1-1/2" \*8-1/2"

### *Instruction:*

Increase the life of new sanding belts and discs with the quality abrasive belt cleaners. Simply press the cleaner lightly against the moving sanding belt and discs until all loaded clogged-up pitch and sawdust have been removed. Abrasive belt and disc should be running at its normal operating speed. No need to remove wrapper.

### *Warning:*

Hand-held cleaner are not intended for use on wide belt or conveyor feed type sanders, serious injury could result. Keep hands away from moving belt and disc. Eye protection recommended.
